## CERTIFICATE OF CONFORMITY (CONFLICT/HAZARDOUS MATERIALS)

Product Description: Pressure & Temperature Instrumentation and accessories manufactured and/or sold by Chicago Stainless Equipment, Inc. (CSE).

We hereby certify that the raw materials used in the product(s) referenced above are, to the best of our knowledge, free of Conflict Minerals as defined by Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act ("Dodd-Frank Act"). The "conflict minerals" under such rules include tantalum, tin, tungsten, gold, and their derivatives. Chicago Stainless Equipment's goal is to only purchase material that is "Democratic Republic of the Congo (DRC) conflict free" and therefore survey our suppliers for the presence of such minerals. (DRC: Angola, Burundi, Central African Republic, Rwanda, South Sudan, Tanzania, Uganda or Zambia)

We also hereby certify that the raw materials used in the product(s) referenced above do not use any paints, primers or coatings that contain hazardous materials such as arsenic, mercury, methylene chloride, methyl ethyl ketone (MEK), lead, or their compounds. Nor do they contain materials known or suspected of containing or coming in contact with asbestos, or polychlorinated biphenyls (PCBs).

**Signed:**

A handwritten signature in black ink that reads 'MARK MISTARZ'. The signature is written in a cursive style and is positioned above a horizontal line.
